SKILLS

Languages

Java Python TypeScript Rust
C/C++ C# F# Kotlin
Elixir Go Solidity SQL

Frontend & Mobile

React React Native Angular
Flutter WebAssembly

Backend & Cloud

Spring Boot FastAPI .NET
PostgreSQL MongoDB Redis
AWS GCP Docker Kubernetes

Observability

Grafana Splunk IBM Instana Datadog

Specialisations

WCAG 2.2 MCP AI Agents
Reactive Systems ML/AI Functional PL

CERTIFICATIONS

- Anthropic MCP (Intro · Advanced · Claude Code)
- Lightbend Reactive Architecture
- Kubernetes LFS158 — Linux Fnd.
- Cisco Networking · Ethical Hacking
- Datadog Kubernetes Fundamentals
- Cambridge B2 First · Berlitz German A2

LANGUAGES

Italian C2 — Native
English C1 — Advanced
French B1 — Intermediate
Spanish A2 — Basic
German A2 — Basic

AWARDS

- Top 50 STEM – UniPD 2024/25
- Runner-up – Web Accessibility Competition

PROFESSIONAL EXPERIENCE

IT Consultant

09/2025 – Present

Technology Reply – Padova (client: Generali)

- Backend development on cloud-native enterprise platforms for the **Generali** insurance group: **Spring Boot 3** microservices, **Oracle SQL**, distributed refactoring and evolutionary analysis
- Migration from **Docker Swarm** to **Kubernetes**; CI/CD pipelines with **Jenkins**; incident management via **BMC Helix**
- Observability and monitoring with **Grafana**, **Splunk** and **IBM Instana**; on-call duty on Genertel/GOL production probes
- Support for **AI** solution development in claims assessment and Application Maintenance automation

Teacher – Computer Networks (ITI)

09/2024 – 06/2025

ITI Galileo Ferraris – Padova

- Teaching network architectures, protocols and security to ~90 students (Years 3–4)
- Development of hands-on labs using Cisco Packet Tracer and Linux networking tools

Didactic & Coordination Tutor

10/2023 – 09/2025

University of Padua – Mathematics Dept.

- Coordination Tutor:** management of 15+ tutors across Bachelor’s and Master’s programmes
- Didactic Tutor:** Automata & Formal Languages, OOP (Bachelor’s); Computability (Master’s, in English)
- Production of advanced teaching materials; documented support to hundreds of students

Inclusion Tutor & Accessibility Consultant

10/2023 – 09/2025

University of Padua – Disability Services

- 350+ hours of specialised support for students with DSA/BES/Asperger/autism in STEM programmes
- Management of personalised exams (ESS3/Cineca, Uniweb); reader and scribe tutor
- Development of WCAG 2.1-compliant digital tools; accessibility seminars for university admission boards

Curricular Intern – Blockchain Developer

03/2023 – 06/2023

Sync Lab S.r.l. – Padova

- Implementation of an Ethereum DApp POC with EthersJS/Web3JS and W3C standards (SSI/DID)
- Study and application of Zero-Knowledge Proof techniques for identity verification

Private Tutor & IT Consultant

02/2016 – Present

Freelance – Italy

- 10+ years of tutoring in computer science, mathematics and languages; specialist in DSA/ADHD learners
- Technical consulting for startups (Finblock, Vantura): technology stack definition and technical planning

Technical Lead & Data Manager

07/2020 – 10/2021

Clesp S.r.l. – Padova

- MySQL database management and KPI dashboard development for 500+ Buffetti retail outlets
- Team leadership in customer service and automation of operational procedures

SELECTED PROJECTS

AccessibleHub

React Native · TypeScript · WCAG 2.2

M.Sc. thesis: React Native toolkit implementing WCAG 2.2, MCAG and WCAG2Mobile with interactive modules and live device demos.

ai-agent-skills

MCP · Claude Code · Codex CLI

Portable library of structured skills for AI coding agents, compatible across providers. Each skill encodes a disciplined, reusable engineering workflow.

TinyML Interpreter

F# · Hindley-Milner

Purely functional ML language interpreter with full HM type inference, unification and let-polymorphism.

PredictSense

Python · FastAPI · RabbitMQ · TF

Microservices anomaly detection pipeline with asynchronous messaging and real-time dashboard.

mini-astarte

Elixir · MQTT · SQLite

Single-tenant local IoT platform inspired by Astarte: MQTT + HTTP ingest, SQLite storage.

Event Processing Platform

Spring WebFlux · Redis · MongoDB

Reactive system: 10K+ events/sec with <50ms latency and end-to-end backpressure.

VerifiedMovies

Ethereum · Solidity · ZKP

B.Sc. thesis: blockchain DApp with Self-Sovereign Identity and Zero-Knowledge Proof following W3C standards.

EDUCATION

M.Sc. Computer Science — 104/110

09/2023 – 07/2025

University of Padua

Major: Internet, Mobile and Security (IMS) — mobile security, wireless networks, advanced cryptography, big data

Minor: Innovation and Entrepreneurship in ICT — startup management, ITIL, NIST
Thesis: *Designing an accessibility learning toolkit: bridging the gap between guidelines and implementation*

Extra: 400+ documented hours of university tutoring (inclusion, coordination, didactic, informational)

B.Sc. Computer Science — 98/110

09/2020 – 07/2023

University of Padua

Algorithms, databases, concurrent programming, software engineering, accessible web development, advanced mathematics.

Thesis: *VerifiedMovies — blockchain-based security and authentication*

High School Diploma in Computer Science — 100/100

09/2015 – 06/2020

I.I.S. Polo Tecnico di Adria

Programming in C/C++/Java, Cisco networking, web development (HTML/CSS/JS/PHP), Android, database design.

OTHER ACTIVITIES

Web Application Developer (Internship)

01/2019 – 02/2019

Digife S.r.l. – Ferrara

- WordPress site development with WooCommerce plugins; newsletter management and web content

Administrative Assistant (Internship)

06/2018 – 07/2018

CIERRE Elettronica – Serravalle (FE)

- Equipment management, order archiving, operational support to department manager

Author and Contributor

2018 – Present

Wikipedia (Italian/English)

- Active contributions to technical and scientific articles in Italian and English; revision of computer science and mathematics entries
